

Awarded and Participating Vendors,

Responses were evaluated according to the criteria stated in the solicitation. We announce our intent to award a contract per this Public Notice. The intended Awardee can be found in the accompanying award documentation. It can also be found on the public site under the Supporting Documentation.

The awarded vendor(s) must not begin work, purchase materials, or enter into subcontracts relating to the project until both the recipient and the [Insert Organization Name] _____ sign the contract or receive an executed PO. The receipt of this award notification does not create or constitute a contract. Only the receipt of an executed PO or a contract signed between awarded vendors and the [Insert Organization Name] constitutes a contract.

You will be contacted via phone or email with the next steps.

We would like to thank each vendor for their time and efforts in preparing a response to this solicitation.

Vendors are reminded that any protests of this decision must be submitted to the Procurement Officer within seven days after the issuance of this notice. The protest must be in writing, clearly identify the solicitation, and detail the nature of the protest.
