Contract Non-Binding Notice

This award notification does not create or constitute a contract.

The awarded vendor or vendors must not begin work, purchase materials, or enter into subcontracts relating to the project until a contract is fully executed. A binding contract exists only upon receipt of:

- a contract signed by the awarded vendor, **[Insert Organization Name]**, and the State of Utah Approving Authority; or
- an executed purchase order from the State of Utah Approving Authority, if applicable.

You will be contacted via phone or email with the next steps.
