Notice Regarding the Utah Department of Government Operations

Effective July 1, 2021, the Utah Department of Administrative Services will become part of the Utah Department of Government Operations. This change is a result of the State of Utah Legislature passing S.B. 181, legislation combining the Department of Administrative Services with the Department of Technology Services, and the Department of Human Resource Management. As such, the Division of Purchasing will be a division within the Department of Government Operations.

Future communications and solicitations issued by the Division of Purchasing may reference the Department of Government Operations. For your information, Jenney Rees will be the Executive Director of the Department of Government Operations, with John Barrand as the Director of the Division of Human Resource Management and Alan Fuller as the Director of the Division of Technology Services and Chief Information Officer.

At this time, there is no action for you to take. This notification is to inform you of the change with S.B. 181. The physical addresses and mailing addresses for the new department will remain the same.

If you have any questions regarding this notice, please reach out to Chris Hughes at (801) 957-7130 or christopherhughes@utah.gov.
