If the item/service is available through one of the following agencies and it meets the minimum requirement, the agency must purchase through these mandatory use providers:

- State Fleet Operations (63A-9-401)
- Utah Correctional Industries (63G-6-804)
- State Mail and Distribution (63A-2-103)
- Department of Technology Services (63F-1-205)
- State Print Services (63A-2-103)

If there is an agency contract in place, purchase directly from it.

Executive branch agencies are required to procure through a State Cooperative Contract, regardless of dollar amount, when the contract offers products/services that meet the agency’s requirements.

A procurement unit, as defined in 63G-6a-103 (60), may purchase a procurement item(s) produced or provided by another procurement unit, as defined in 63G-6a0103 (60), without using a standard procurement process.

When each item in the procurement costs $1,000 or less AND the total procurement is a maximum amount of $5,000, the small purchase–quotes not required–rule, allows the agency to select the best source without seeking competitive quotes. An agency may not spend a maximum of $50,000 in a fiscal year with an individual vendor using the small purchase–quotes not required–rule. This rule cannot be used for ongoing services.

When the individual procurement item cost is more than $1,000 for one or more items AND the total procurement is less than $5,000, the agency must obtain competitive quotes. The agency must purchase the item/service from the supplier offering the lowest quote meeting specifications. Instructions concerning the quote process can be found in the Request for Quotation Sheet which is located at http://purchasing.utah.gov/purchasingforms.html

After all known vendors have been contacted, if only one vendor offers a quote, State Purchasing must be contacted for authorization to proceed.

Are there multiple potential vendors?
   - The agency shall enter an RQS (can result in a purchase order or agency contract) or an RQM (only can result in an agency contract). The agency does not collect quotes. Quotes/bids will be obtained by the Division of Purchasing.
   - Does the procurement meet the sole source procurement definition as found in Code and Rule?
     - The agency must complete a sole source request and submit it with a quote from the vendor to State Purchasing. A sole source for a PO must also have an RQS number.
