- Utility Associates

Cancellation of an Agency Contract

In the course of business, an agency sometimes needs to cancel an agency contract either for cause, lack of funding, or convenience.

When terminating a contract early with cause, the agency must work closely with their Assistant Attorney General, who can reach out to Deputy Director Christopher Hughes with questions.

When an agency needs to exercise their right to terminate a contract early without cause, they must complete the following:

1. The agency will review the contract to determine the options available for early termination which should be stated in the terms and conditions.

2. The agency will prepare a letter stating that the agency is:
   a) Terminating Contract xxxxxx;
   b) That this letter is their 60 day termination notice without cause per Section XX of the Standard Terms and Conditions for the State of Utah;
   c) That the termination will be Effective on xx/xx/xx. Add any additional pertinent instructions; and
   d) The letter must be signed by someone who has signature authority for a contract, usually a director or assistant director.

3. The Assistant Attorney General for the agency shall review the letter and acknowledge in writing that the cancellation letter is according to the terms and conditions of the contract.

4. The agency will send the cancellation letter to the vendor in a manner that can be tracked: email with automatic return receipt, registered mail, FedEx or UPS with tracking.

5. Agency will send an email to purchasingcontracts@utah.gov requesting the contract be canceled in FINET. The email will include the following:
   a) Copy of the termination letter;
   b) Copy of the Assistant Attorney General’s written acknowledgement; and
   c) Proof that the vendor received the cancellation letter.

State Purchasing will review the documentation, complete the changes in FINET, and send a return email to the agency stating the process is complete. As the agency is the record holder of the cancellation documentation, the agency must retain the contract and cancellation documentation according to the required retention schedule.
Online Small Purchase Training Closed

Due to situations outside the control of the Division of Purchasing, the Online Small Purchase Training has been shut down. Until such time that a new training system can be implemented, individuals that are required to take the Online Small Purchase Training should reach out to Tara Eutsler (teutsler@utah.gov) for instructions.
